All Time Pediatric Care, a center specializing in Prescribed Pediatric Extended Care (PPEC), proudly announces its opening in Tampa, located at 311 B Bullard Parkway, Temple Terrace, FL 33617, under the medical direction of Dr. Ilka Y. Nazario. The grand opening and ribbon-cutting ceremony will take place on Tuesday, September 17, from 6:00 p.m. to 8:00 p.m., with the official ribbon-cutting scheduled for 6:45 p.m.

Temple Terrace Councilwoman Allison Fernández has confirmed her participation in this special event, which marks an important step for the community by expanding medical and supportive services available for children with complex medical conditions.

PPEC centers allow children with complex medical conditions who are eligible for Medicaid to receive continuous medical care in a non-residential setting. These patients have access to nursing services, personal care, developmental therapies, and caregiver training—all in one place.
